HORIZONTAL SHEER SHADE

- Meticulously crafted
- Seamlessly blends light control, UV protection, and privacy
- Innovative design that adds luxury and sophistication to any room

Sheerview Horizontal Sheer Shades offers a unique combination of soft fabric vanes that create the illusion of floating between two layers of sheer fabric panels. Available in 2", 2 ½" and 3" vane sizes.

These shades come in a variety of neutral tones and vibrant colors, featuring both light-filtering and room dimming fabrics. This unique design allows for gentle, diffused light while providing UV protection and ambiance to any room.
